

**SUPPLEMENTARY COMMERCIAL AUTOMOBILE APPLICATION
NORTH CAROLINA**

(To be completed and signed by the Named Insured)

Name

**UNINSURED MOTORISTS COVERAGE
UNINSURED MOTORISTS COVERAGE INCLUDING UNDERINSURED
MOTORISTS COVERAGE**

Uninsured Motorists Coverage provides insurance protection to an insured that is legally entitled to recover damages from the owner or operator of an uninsured motor vehicle because of bodily injury or property damage caused by an automobile accident or for bodily injury damages that result from an automobile accident with a hit-and-run vehicle whose owner or operator cannot be identified. Refer to your policy for the prevailing coverage provisions.

Uninsured Motorists Coverage includes Underinsured Motorists Coverage if the limits of bodily injury liability coverage on your policy exceed the minimum financial responsibility limits required by the North Carolina Motor Vehicle Safety and Responsibility Act. Underinsured Motorists Coverage provides insurance protection to an insured that is legally entitled to recover from the owner or operator of an underinsured motor vehicle because of bodily injury caused by an automobile accident. An underinsured motor vehicle includes a motor vehicle for which the sum of all bodily injury liability bonds or policies applicable at the time of the accident is less than the applicable limits of underinsured motorist coverage for the vehicle involved in the accident and insured under the owner's policy. Refer to your policy for the prevailing coverage provisions.

Unless you select other available coverage limits or certify exempt status, your automobile liability policy will **automatically** include Uninsured Motorists Coverage and, if applicable, Underinsured Motorists Coverage in the amount equal to the highest limit of bodily injury and property damage liability coverage for any one vehicle insured under the policy; provided, however, that Uninsured Motorists Coverage, including Underinsured Motorists Coverage if applicable, shall **not exceed** the maximum limits of one million dollars (\$1,000,000) per person and one million dollars (\$1,000,000) per accident for bodily injury and one million dollars (\$1,000,000) per accident for property damage or a Combined Single Limit (CSL) of one million dollars (\$1,000,000) per accident, regardless of whether the highest limits of bodily injury or property damage liability coverage for any one vehicle insured under the policy exceeds these limits. The Uninsured Motorists Coverage limits, including Underinsured Motorists Coverage if applicable, will be either split (each person/each accident/each accident) or a Combined Single Limit (CSL), consistent with the liability limits on your policy. **If this is a renewal policy and your prior limits remain available, the coverage limits of your expiring policy will apply for the renewal policy unless you select other available coverage limits or certify exempt status herein.**
